

School Tuition Fee and Meal Fee Arrangement during School Suspension

Dear Parents,

Our school tuition fee and meal fee are collected in accordance with the approval of the Education Bureau and paid on an average of 11 installments throughout the year, so they will remain unchanged during holidays or school suspension due to the current epidemic. We sincerely hope that parents will be considerate and tide over the difficulties with us during this moment. Parents who have financial problems may apply directly in writing to our school and cases will be considered on a case-by-case basis. You are also kindly reminded to pay attention on the disbursement arrangement for the student grant of \$2500 which our school has earlier assisted parents in applying from the Education Bureau.
